

Tau Alpha Pi
Delta Chapter
Meeting Minutes

2/16/06

Attendance:

Rick Szromba
Juan Serna
Alyssa Zymali
Prof. Neff
Prof. Zahree

Problem: Poor candidate knowledge of T.A.P results in low acceptance rate for new members.

Brainstorming session:

Orientation Seminar for incoming students
Information shared during freshman experience seminar
Set up a booth during key orientation weeks
Meet and greet sessions for candidates
Key for Case – Emblem or other visual representation of T.A.P.

Prof. Zahree – suggests department pay for T.A.P. pin. Agrees for MET and ECET departments. Must obtain approval from other department heads before approaching Dean.

Web Page:

Doug Wilcox not present – update pending. Rick Szromba will contact before proceeding. Prof. Neff had appropriate paperwork and supplied appropriate signature. Prof. Neff will contact Wes for information.
Link for webpage in odd place and Tau is not listed on student organization page.

Tutoring:

Link Tau Alpha Pi with supplement instruction classes. Tutoring through Supplemental Instruction department is a paying position and interviews are conducted. Suggestion is made to have Tau Alpha Pi members as key candidates for tutoring positions.

Fees:

Recap of account shows we are behind on National Fees. Rick Szromba will contact Susan for corrective action.

Next Meeting:
